

11th Annual  
**Joe Upshaw**  
Golf Classic

**Please support our cause to create a national youth-driven movement  
to change the culture of alcohol and drug abuse in America!**

Our goal is to dramatically change attitudes and behaviors towards substance abuse and demonstrate a measurable reduction in teenage substance-related deaths. Our flagship program is an unconventional online video series that will kick-start the movement with middle school students nationwide. High school and college mentors, recruited through the Keep Friendship Alive network, will help fuel the movement. *Join us!*

Visit [www.joeupshaw.org](http://www.joeupshaw.org) for more info and golf with us on September 30th, 2011
